

Dear Parents,

We would like to show the Seventh & Eighth grade classes movies, which are rated PG-13. The movies are all related to the subjects being taught. Some examples are Hidalgo, The Alamo, The Outsiders, and Evelyn. In Humanities we would like to show videos on different artist, including but not limited to: Michelangelo, Van Gogh, and Beethoven. There may be a small amount of cursing and fighting in the movies and the videos on artist were mainly from the Renaissance. If you would like to preview any of these movies please let me know.

I give my child _____ permission to watch PG-13 movies that are relevant to their learning.

I do not give my child _____ permission to watch PG-13 movies that are relevant to their learning.
